Many of our commentary titles contain coverage of EU and international content. This is shown in a range of ways across our portfolio:

UK – for example, Harvey on Industrial Relations and Employment Law contains commentary on relevant EU Directives, particularly across Divisions covering Working Time, TUPE, Family Matters, Equal Pay and Equal Opportunity.

SP – Goode and McKendrick on Commercial Law contains a 6-chapter Part on International Trade and Finance.

- Goode: Consumer Credit Law and Practice contains an entire Division covering EU materials, and the accompanying Goode: Consumer Credit Reports contains an entire Division covering key EU European decisions.

SP

- Gore-Browne on EU Company Law is entirely focused on EU Company Law, and explains the impact of EU Directives and Regulations on company law, taxation, accounting and insolvency. It also provides analysis on key cases from the European Court of Justice.
- International Corporate Procedures provides country-by-country coverage of legal and tax business regulations in over 55 jurisdictions, including all the major industrial, financial and offshore centers worldwide. It draws together the factual and procedural information necessary to make informed decisions about foreign forms of business enterprise.

Our **EU** also contains all the relevant EU and international materials you need to refer to.
